

## About us....

Karen and Steve are a married couple who met through dancing!

Karen has a background in nursing and turned professional dancer 5 years ago. Steve has a background in conservation and restoration of old books and manuscripts and followed into the world of the dance professional 3 years ago. This is somewhat of a miracle as six years ago he became unable to do most things as he was suffering from a severe hip problem. One very successful hip replacement later, here we are.

They have been teaching in Oxford for the renowned Dance Rhythms, where Karen was head of Theatre Branch. They continue to study in Oxford but they are thrilled to be in North Devon, where Karen was born and bred.

## **“FIRST DANCE”**

**WEDDING DANCE  
COURSES**

*by*

**TAKE THE WORRY  
OUT OF THAT FIRST  
DANCE!**

**CHOOSE YOUR OWN  
SPECIAL MUSIC...**

**HAVE SPECIAL  
CHOREOGRAPHY –  
JUST FOR YOU!**

Why choose a  
WEDDING DANCE  
COURSE

from Project: Dance! ??

- Shuffling around the floor does not look good at all!
- You can choose your own special music - there are absolutely no limitations.
- Your dance will be special to you - your specific choreography to “your tune”.
- It will make your day even more special - a real memory.
- By being taught by professional dancers all the worry about looking daft will be gone – we will make you look great.
- You never know – it may open up a new, shared hobby for you both. Once the bug bites...

How do we arrange our course?

Once you have decided to do a wedding course, contact Karen or Steve to discuss available times and venues. They will need certain information from you:

- When you are getting married.
- What “your tune” is.
- What size your dance floor is – this will determine the options for dances, i.e. ballroom dances travel around the floor whereas some Latin dances are more “on the spot”.
- Karen will discuss the brides’ dress – well away from the groom – to determine ease of movement etc.

YOU DO NOT NEED TO  
KNOW ALL OF THIS AT TIME  
OF BOOKING... THEY LIVE  
IN THE REAL WORLD TOO!!

**YOUR COURSE:**

Consists of 6 sessions. The cost is **£130.00 payable in advance**. This includes all choreography and tuition. Extra sessions can be added, if desired at a cost of £20.00 per hour.
